Outdoor Kitchens Unique and Individual as You Are

Your patio is your oasis. The place where you get away from it all. But that doesn't mean you can't have it all. An outdoor kitchen from Challenger is a dream convenience from the best in the industry - your assistant of sorts when it comes to cooking out with family or entertaining among friends. It will be remembered by all.

Design Your Own

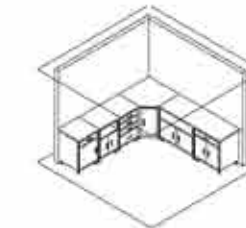

Create your own one-of-a-kind design with the wide array of add-on units, colors and counter surfaces available to make the kitchen custom. Challenger will tailor your outdoor kitchen to meet your individual needs no matter what the setting or use.

Relaxing and enjoying yourself doesn't come in a "one size fits all" way. We don't believe your outdoor kitchen should either.

You can select from the many different unit sizes and styles to create the perfect fit for you and your space...

Custom built around your new or existing grill or stove top

No matter the space, size or shape, we can create exactly what you need

Designed to create space with plenty of storage
